Through the use of bicycles, El Grupo strives to impact youth through all of our programs by:

- Educating and inspiring youth to overcome obstacles, both mental and societal
- Empowering youth to set and achieve personal goals
- Enabling youth to become life-long bike enthusiasts
- Making riding bikes safer, cooler, and more accessible for all youth

We currently have 135 kids in weekly after school programming and reach over 1,000 unduplicated youth each year through community events and activities. Our value-based programs focus on developing youth to build their capacity as individuals and community members. We are fostering the next generation of active, healthy, and community-minded cycling enthusiasts and community leaders.
